Announcing Flagg King Pin Kit Supplement

We are pleased to announce the addition of nine new king pin sets for the following popular applications:

Eaton Axle Models: E1002i, E1202i, E1203i, E11462i & E13222i

Meritor Axle Models: FH945 & 946, MFS07153C, 08153B, 08163B,
 161015, 16143A & 18143A

Also new to the line are sway bar bushing kits for Kenworth Airglide 200 & 400 series suspensions with either 54 or 58mm diameter sway bars.

All parts are in stock and ready for immediate shipment. Pricing for the new king pin sets are listed in the current Flagg price sheet. Prices for the new sway bar kits are shown below.

To receive additional copies of this supplement, please fax the form below to either Customer Service (800-237-2396) or to G3 Distribution (888-243-3478)
