1 UBK Box = 1 Unit
Order 1 → Get 1 Box
Box will contain (2) U-Bolts, (4) nuts, and (4) washers

Triangle is making a UBK unit of sale change

Over the years, there has been confusion surrounding UBK numbers. *Did you order 2 to get 1 box, or 1 to get a boxed U-bolt kit?* To eliminate this confusion, Triangle's making a change to allow you to order 1 to get 1 boxed kit.

Effective with orders and shipments on or after Feb 4, 2019

The boxed kit contents will be the same. Each boxed UBK will contain 2 U-Bolts, 4 nuts, 4 washers. These items will be priced per box.
